STOCK-TRAK GROUP ANNOUNCES KEY ACCOMPLISHMENTS FOR 2008

(Montreal, Canada) December 10, 2008 - Stock-Trak Group (OTCB: STKG), www.StockTrak.com, today announced significant improvements in its operations during fiscal year 2008.

“This year, 2008, has been a milestone year for Stock-Trak Group on a number of key fronts, most notably the continued growth of our leading real-time simulation and education platform, www.WallStreetSurvivor.com, and our increasing operational efficiencies that have resulted in a stronger cash position at year end” stated Stock-Trak CEO Rory Olson.

Highlights and key accomplishments achieved in 2008 include:

- ?? May launch of version 2.0 of the WallStreetSurvivor.com portal which featured better site navigation, more education, and better social networking tools that have resulted in more page views and improved site-retention;
- ?? Finalized and launched a joint venture with National Post for a Canada-wide \$150,000 Stock Market Challenge featuring U.S. and Canadian equities called “Be a Stock Star” (www.StockStar.ca) that attracted over 30,000 registrants;
- ?? Through increased revenues across all channels and consolidation of the Atlanta and Montreal operations, reduced the operating loss and better managed cash position;
- ?? Increased aggregated page views for Stock-Trak web properties from 150,000 per day to as high as 700,000 per day;
- ?? Increased the number of professors using the Stock-Trak education platform by over 20 percent;
- ?? Renewed all of the company’s major clients including The Motley Fool, McGraw-Hill, Peak 6 and Wellington Financial;
- ?? Wall Street Survivor's Alexa ranking has been consistently in the top fifty thousand web sites on the net, having recently achieved rankings in the top 20,000;
- ?? Signed white label platform agreements with Scottrade and Traders Expo; and
- ?? Exceeded expectations for company’s recently upgraded simulated trading engine, the Survivor Trading Platform, with over 3,000,000 trades made and over 50,000 portfolios revalued every minute, generating over 19,000,000 calculations per trading day;
